

Submit an Opioid Safety Tip™ to minimize abuse.

Example: *Educate patients to take ONLY medications prescribed specifically for them and not to share them with others.* Know any others?

Mail this postcard or email your tip to medaffairs@alpharma.com

Opioid Safety Tip™: _____

Submitted by: _____ City/State: _____

Email: _____

(to receive information on opioid safety issues)

Thank you for your contribution.

PainBalance™ is an educational initiative to provide quality education, practical tools, and current resources to support appropriate care for all patients with pain and the healthcare professionals who care for them. This educational initiative is being developed through the efforts of leaders in pain management practice and supported by Alpharma Pharmaceuticals LLC.
