

## TEACHERS

Whenever I grow up,  
I think I'll be a teacher.  
A lot of people tell me,  
I'm such a knowledge seeker!  
I'll have to study hard  
to get a good degree!  
To be the kind of teacher  
that I would want to be.  
I'm sure I'll love my class,  
and probably give them hugs.  
The girls might pick me flowers  
and the boys might bring me bugs.  
They'll have to be quiet,  
and line up in the hall.  
When we stop by the restroom,  
"Don't play in the stall!"  
I'll help them with their spelling  
and I know I'll read a lot.  
At times some of them may get  
sick, lots of coughing, sneezing, snot!  
If you want to be a teacher  
please keep this in mind...  
To be the best teacher,  
you must be caring, smart, and kind!
