

THE OHIO FIRE CHIEFS' ASSOCIATION

2016 CONFERENCE REPORT

Columbus, Ohio

Consulting Division

President Shaw and members of the Association:

It is my pleasure to submit the Consulting Division report for the year ending June 30, 2016. Since last year's conference, the Consulting Division has received numerous inquiries regarding services available and other requests for assistance.

During the past year, the Consulting Division completed the following fire officer selection processes: Pleasant Township Fire Chief, Greenfield Township Fire Chief, and Prairie Township Assistant Fire Chief. Projects completed over the past year included: Butler County Shared Services Study, Central Ohio Fire District Fire Station Location and Facilities Plan, Tipp City EMS Operational Review, city of Oregon Fire Station Location Analysis, Bainbridge Township Fire Department Organizational Evaluation, and the Washington Township Fire Department Strategic Planning update.

Projects currently underway include a Fire Chief selection process, three fire district feasibility studies, a fire district emergency response analysis, and one strategic planning process. The past year has been busy and the upcoming year appears to be one of continued growth and expansion.

Respectfully submitted,

Chief (Retired) Stan Crosley, CFO, EFO, MIFireE
Manager, Consulting Division
