

Advocates for the Ohio Osteopathic Association

Osteopathic Spirit Award Nomination Form

The Osteopathic Spirit Award was established in 2004 to honor those who have truly given of themselves to the Osteopathic profession.

The award is open to anyone in Ohio who meets the following criteria:

- Promotes Osteopathic public education
- Promotes Osteopathic awareness
- Provides volunteer services(s) to either patients and/or the community
- Exemplifies the spirit of caring that embodies the Osteopathic profession
- Osteopathic Service for five or more years

Nomination forms may be submitted by anyone, including DOs, colleagues, students, patients, etc. In addition to the requested information below, please attach a detailed description of the nominee addressing each criteria above and any other details you feel are pertinent to the nominee's dedication and service to the profession (local, state and/or national level), especially as it exemplifies the true spirit of caring that embodies Osteopathic medicine.

An independent committee not of the Osteopathic profession will choose the recipient. The award is presented annually at the Ohio Osteopathic Convention in April.

Please print legibly.
