*Ohio Pharmacists
Foundation
and
Ohio Society of
Health-System
Pharmacists*

Each program is approved by the Ohio Pharmacists Foundation for one contact hour of pharmacy technician education. There is no pharmacist continuing education associated with this program.

Program Descriptions

Conflict Resolution in the Workplace

Justin Cole, R.Ph., PharmD • Nationwide Children's Hospital

Factors that contribute to conflict in the pharmacy workplace, early recognition, and potential consequences will be included in this presentation, as well as practical tools and behaviors to help minimize or resolve conflict among team members.

Safe Disposal of Medications

John Stanovich, R.Ph. • University of Findlay College of Pharmacy

With prescription drug abuse on the rise, it is now more important than ever to properly dispose of unused and outdated drugs. This program will include federal and state guidelines for safe disposal of medicines and community efforts in this area.

Law Update: Summer 2010

Joann Predina, R.Ph., MBA • Ohio State Board of Pharmacy

Our speaker from the Ohio State Board of Pharmacy will provide an update on current Ohio pharmacy law and rules impacting pharmacy practice in a variety of practice settings. Speaker welcomes questions.

Drug Therapy Concerns for Chronic Kidney Disease

Jessica Malaty, R.Ph., PharmD • University Health Connection

Patients suffering from chronic kidney disease take multiple medications to slow the progression of damage to the kidneys and to control the underlying cause. Our speaker will review common drug therapy, drugs that need to be avoided, and drugs that need special dosing adjustments due to their clearance by the kidneys.

ALS: Lou Gehrig's Disease

Marliese Gibson, R.Ph., PharmD • Palliative Care Consulting Group

Amyotrophic lateral sclerosis is a progressive neurodegenerative disease that affects nerve cells in the brain and spinal cord leading to paralysis and death. Our speaker will review symptoms, diagnosis, genetic involvement and current treatment strategies.

Common Sleep Disorders

Steven Topmiller, R.Ph., PharmD • Uptown Pharmacy, Westerville

Sleep disorders are common today and describe a range of afflictions including insomnia and sleep apnea. This presentation will include symptoms, causes, treatment, and prevention.

State Board OARRS Program

Danna Droz, R.Ph., J.D. • Ohio State Board of Pharmacy

The Ohio Automated Rx Reporting System (OARRS) was established to monitor the misuse and diversion of controlled substances and other dangerous drugs. The State Board of Pharmacy program director will give you an overview of the program and how it is effective against doctor and pharmacy "shopping."
