What did you like best about the Convention

Hoag
The hours and how they were arranged. The food was very good.
The relaxed, but structured atmosphere.
The speaker choices were excellent. Speakers were very informative.
Great speakers.
All the training for CAs.
Exhibits and CA Session.
Kathy Mills Chang was a phenomenal presenter.
Meeting new people, learning so much info.
Went to Chestnut/Seaman and enjoyed both speakers. They presented up-to-date info.
Very well planned and well organized.
Chestnut presentation; meals/snacks/hotel all very good.

Particular speakers or subjects you wish to hear:

Bill Estep, Patrick Gentempo
Dan Murphy, Chris Kent
Kathy Mills Chang should not only speak to the CAs but also to the DCs.
More on insurance and coding.
Esteb needs to come back.
Dr. John DeMartini or Dr. Guy Riekeman or Dr. Janice Hughes

Additional Comments

Bharon Hoag was very good. A lot of good info that can be used. Thank you.
Electronic media for future notes.
Thanks for all you do!
Great info to take back to the office and implement right away.
Tables should be set up so you can look straight ahead instead of having to turn heads.
Thank you!
