2013 RSA Summer Institute Lawrence, Kansas

Parking

If you are not interested in parking on campus, please utilize our dedicated bus service. See posted "Bus Schedule." For those of you who do wish to park:

On Campus

The Mississippi Street Parking Garage is connected to the Kansas Union. It is between the Kansas Union and The Oread Hotel. Cost: \$1.50/hour. 24/7. Alternatively, you can purchase a visitor's parking pass for \$10 per day from the Parking & Transit office, located on level three in the Allen Fieldhouse Parking Garage. Unfortunately, these passes may not be purchased in advance.

Summer school will be in session, so you should not park in Yellow, Red, Blue or Gold lots, unless it is after 5:00pm.

There are a small number of free spaces lining the streets on the east and west sides of the Kansas Union (Jayhawk Blvd. and Mississippi Street, respectively). There are also neighborhoods east and south of The Oread in which it is often possible to find street parking (depending on how far you are willing to walk).
