Account # \_\_\_\_\_ GL or DDA ABA# \_\_\_\_\_  
Credit Card # \_\_\_\_\_ Exp. Date \_\_\_\_\_

Signature for ACH Debit or Credit Card \*\*Account will be debited or charged on or after shipping date.

### How does the Education Circle work?

1. This Education Circle is available to "Members ONLY!"
2. The "savings" amount that you see is a further reduction in the already reduced "member" rate for UMACHA's Professional Development Courses
3. Select one or more of the "packages" that best fits your Financial Institution's education needs or plan (You are NOT required to select the specific sessions you will be attending at the time you select and purchase your "package" – this will be done as needed)
4. Upon payment of your Education Circle "package" – you will receive "coupons" via email which can be used in printed form with your invoice or electronically with the code assigned to the coupon(s) when registering online
5. Education Circle Package coupons **MUST** be redeemed in the year purchased
6. The Education Circle "coupons" can be used by any person at your Financial Institution (they are not limited to the person/individual who originally selected the package(s))
7. Your Financial Institution is solely responsible for the "electronic coupons" you'll receive upon purchase – and they will **NOT** be replaced (please store securely)
