Getting Started:

1. Contact others in your group using the Westbridge web site.
2. Elect an initial leader. It's that person's responsibility to rally everyone to meet and complete the first challenge.
3. Pick a challenge topic that folks can get excited about - perhaps something that involves a new skill or technique.
4. Set a date to meet!
5. Go out and shoot. Typically you do this independently. However, feel free to do it as a group!
6. Use the Westbridge web site to guide you. There are suggestions for topics, tips for critiquing, etc.
7. Encourage one another.
8. Enter pictures into the competitions...and place!
9. Have fun!
